

Breastfeeding

is meant to be a comfortable, pleasant experience.

If not,
We are there
for you

**Renting the right
breastpump
can make
breastfeeding
easier**

- Renting is the economical solution for first-time mothers and short-term applications.
- A hospital-quality breastpump effectively collects breast milk and can help maintain your milk supply.

Find out where to rent a Lactina® or a Symphony® breastpump today. Call

1 - 800 - TELL YOU
for more information
